To the FCC:

I am writing to request a waiver for filing Form 471 due to a misinterpretation of the guidelines.

The Docket Number is 02-6, with the Bellevue Community School District at 1601 State Street, Bellevue, Iowa 52031.

The Bellevue Community School District has a Billed Entity Number of 132453. As the Superintendent of the Bellevue Community School District we currently have a two-year contract with the Town of Bellevue, Iowa for internet services (SPIN #143036896).

This year's Form 471 Application Number for the Bellevue Community School District that was denied due to missing the deadline is 171049399. Our past Form 471 Application Number for last fiscal year was 161014546, while I incorrectly understood that this was for two years...not knowing I need to file each year (even though the contract was for two years with the town of Bellevue, Iowa).

If you have any questions, please contact me at 563.872.4913. My personal cell phone in the summer time is also available, and the number is 563.451.9253.

Thank you for your help.
